### Initiation of Agricultural Machinery Lease of Finance Business in Cambodia

We would like to announce that GL Finance PCL (GLF), our group's motorcycle finance business operating in Cambodia has initiated the agricultural machinery lease business from January 2014.

The agricultural machinery lease business is operating on a practical level based on the business alliance with signed with SIAM KUBOTA Co., Ltd. at the Security Exchange of Thailand on 5 September last year. Recently, the agricultural machinery lease test run was initiated in TAN LONG CHEA Dealer. (Please refer to the following URL for details on the signing ceremony on 5 September.

The first sales office of the agricultural machinery lease is established in TAN LONG CHEA, which is a Kubota Dealer in Kampong Thom. The mentioned dealer is led by a positive and talented owner, Mr. Long Leng Cheu. The dealer has a strong good customer base within the province.

Kampong Thom is located in the center of Cambodia with an area of 15,060 km<sup>2</sup> and a population of 700 thousand.

Our subsidiary, GL, is a listed lease company in Thailand, with over 30 years of experience. However, the recent entry into the agricultural machinery sector is a first try for the company. GLF will continue to pioneer the agricultural machinery lease business and ultimately expand throughout the Kingdom of Cambodia.
