Number of Monthly Contracts Exceeds 1,000 Motorcycle Finance in Cambodia

We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has achieved over 1000 monthly new contracts on 25 March.

GLF, the motorcycle finance business in the Kingdom of Cambodia, which has been expanding its establishment of business areas, has achieved over 1,000 monthly new contracts in March. The number of new contracts exceeded 1,000 within a very short span of time since we initiated the business which clearly reflects the huge potential of Cambodia’s motorcycle finance market and the expectations of Cambodians towards the “Life with Motorcycle from Today” of our products.

The numbers of new contract is will continue to accumulate and increase within the month. Apart from this, we aim to support the development of Cambodia’s grassroots economy and achieve huge progress by including the lease for Kubota’s Agricultural Machines.
