Announcement for Official Establishment of New Sales Office of Agricultural Machine Finance Business in Cambodia

We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has officially established 2 sales offices for the agricultural machine finance business.

GLF has initiated the agricultural machine lease after a year of success in the motorcycle finance business in Cambodia. GLF has signed a business alliance with SET listed major agricultural machine manufacturer SIAM Kubota Corporation Co., Ltd on 5 September last year.

After 4 months of successful pilot phase period in providing financial lease service to KUBOTA dealers, SORN CHEA, in Kampong Chhnang Province and ENG HOK, in Pursat Province since 10 March, 2014 and 19 February, 2014, respectively, GL Finance Plc. (GLF) has decided to officially set up sales offices inside both dealer shops where GLF staff can always standby in order to better assist their customers professionally on leasing application process and more importantly being able to get more familiar with our target market.

Our subsidiary, GL, is a listed lease company in Thailand, with over 30 years of experience. From here on, GL will expand into the agricultural machine lease in Cambodia through its subsidiary, GLF. GLF will continue to pioneer the agricultural machinery lease business and ultimately expand throughout the Kingdom of Cambodia.
