We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has established 1 new sales office on 26 November 2014.

As we had announced earlier, GLF has been expanding their business at a stretch during the current year in order to take full advantage of their superiority, where they are the first motorcycle finance company in Cambodia and can provide finance service to HONDA motorcycle dealer exclusively. After cautious expansion and enough construction of organization, we are planning to establish 82 sales locations newly from October and December in this year.

The new sales office is HONDA official dealer Lao Cheng Hour (Battambang Province).

The day they opened sales office, 26 November, is also the official opening day of Lao Cheng Hour itself. After the big opening ceremony for dealer, GLF office was also celebrated for opening at the ceremony, and Lao Cheng Hour owner and GLF staffs shared their delight.

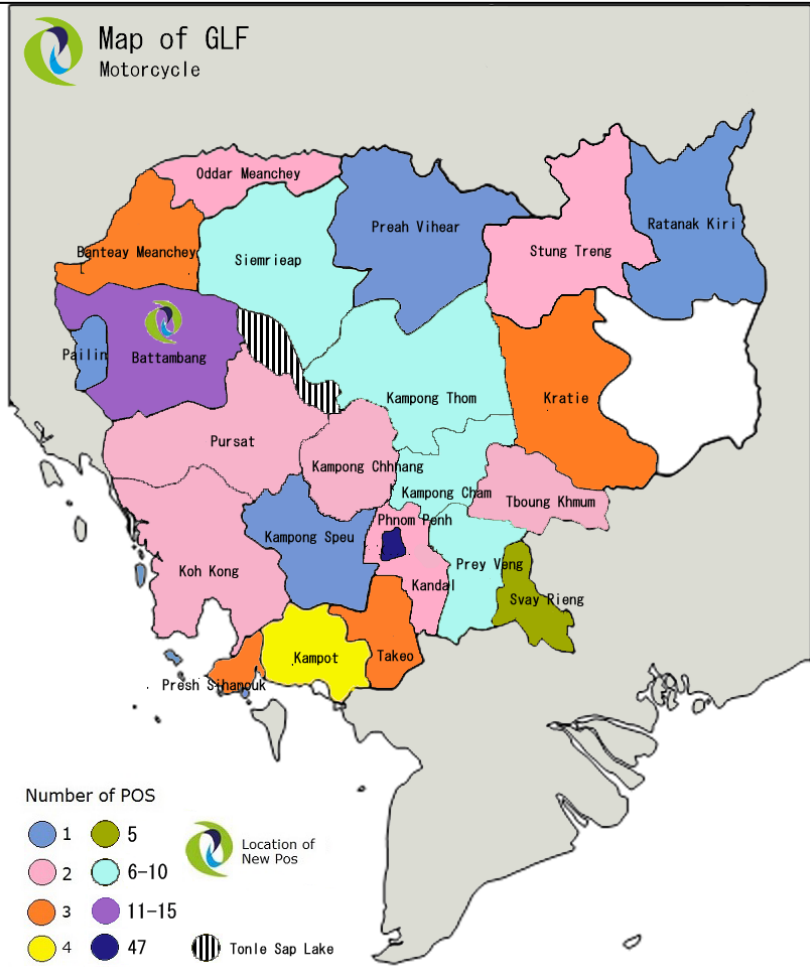

After establishment of the new office, the number of GLF's motorcycle finance sales offices in Cambodia has reached the total of 127 offices.

And sales office which has opened since October 2014 has reached the total of 79 offices.
