Cambodia GLF's number of new contracts recorded highest ever

-The number of monthly new contracts of the Cambodian subsidiary company GL Finance company recorded highest in the past-.

We would like to announce that GL Finance PLC (「GLF」), our group company which carries on finance business in Cambodia has posted the highest monthly contracts in both motorcycle and agricultural machines business in March.

GLF began its operation from May 17, 2012 and achieved very rapid growth so far. GLF is the first licensed-lease company in Cambodia and acquired a lease exclusive contract for 7 years with HONDA company which accounts for 95% of the market of 300,000 new motorcycles sale per annum. Under the dominant of HONDA company in Cambodia market, GLF with its tie-up with HONDA company serves as sole leading motorcycle lease company in Cambodia. That is to say that GLF is the first and only motorcycle lease in Cambodia up to now.

In term of agricultural machinery lease, GLF formed a business tie-up with SET listing major agricultural machinery manufacturer SIAM KUBOTA Corporation Co.,Ltd which grants exclusive lease right to GLF. By utilizing the advantage of its exclusive right, GLF carried rapid business expansion in the previous fiscal year. Not later than one year from the date of operation, until January of this year, there were 70 units leased per month. Last month end of high season, it still reached 60 units.

In this way our Cambodia finance business remained strong, our outstanding loan continued to increase compare with same period last year. In the future, we will continue to further actively aiming to expand business
