We launched the Facebook Page "Endurance Management TK".

This time, Tatsuya Kinoshita, our Representative Director and CEO of the Company, launched the Facebook page "Endurance Management TK", we will inform you the detail. ※ 1

<https://www.facebook.com/EnduranceManagementTK/>

This page provides guidance on the latest progress of business related to the Company Group such as Showa Holdings Co., Ltd., Group Lease PCL (Group Lease) that listed on the Thai Stock Exchange etc, and also we will disseminate Mr. Konoshita's activities such as the trail running.

Information will be updated in more than 6 languages including Japanese, English, Thai, Indonesian, Vietnamese and Mongolian. It will be displayed according to the language setting that you view. ※ 2, ※ 3

This page was prepared from the start of September 2017 to inform everyone about company and Tatsuya Konoshita's activities which was scheduled to be released on October 16. However, on October 16th there was an order from the Thai Securities and Exchange Commission (SEC Thailand), and it was difficult to decide whether or not to release it in this various situations. However, because this is the moment that various things happen in one stroke, so we decided to take risks and decide that we should tell the information to our shareholders, our business partners and our group employees.

Everyone, we would be love it if you could please look at this page, follow and like. ※4

The End

※1 「endurance」 has a meaning of endurance race. Konoshita has hobby of doing ultra training (running competition in mountain trail, etc. with distance more than full marathon)、 not only that、 the management is not done in an instant or a few months, but decades-long endurance race, with that in mind we named this page as it is now.

※2 For everyone that uses Japanese settings, you can see the articles in Japanese Language.

※3 This page is also serves as a know-how for othesr that wanted to start business in entertainment industries.

※4 We do not accept posting or answering question, etc. in our timeline. And, we cannot tell you about the laws, disclosure rules, contents related to business secret, etc.
