In this Competition, we invited players who have performed well in "TCG Asia Ranking" that we and our related companies carried out in Thailand, Vietnam and Indonesia. The purpose of this Card Game Event is to have each player compete and interact with each other.

In the same way as "TCG Asia Championship 2017 Finals" which was held in October 2017, most of players in the top rankings made it to the Championship with "YuGi-Oh!! (Trading Card Game)". So we decided to have the competition with "Yu-Gi-Oh! (Trading Card Game)"

※ This ranking has been implemented since 2017, The rank is implemented with the cooperation of TCG shops and communities in each country. In 2018, more than 1,000 users have participated.

We invited two players from each country and have two guests from Japan as representative players. We held a battle competition for a total of eight people.
