Group Lease PCL was selected as a constituent stock of the Indexes (sSET / SETCLMV) in the Stock Exchange of Thailand

The Thai Stock Exchange (hereinafter SET) announced its index component on June 18th 2019. We are pleased to announce that Group Lease PCL (hereinafter referred to as "GL"), which is a consolidated subsidiary of the Company listed in SET, has been selected as a constituent stock of the two indexes, sSET and SETCLMV.

SET reviews the component of the index semi-annually, and this time is the selection of component from July 1, 2019. GL was selected as a constituent stock in 'sSET index' and 'SETCLMV index'.

According to the SET website, sSET Index represents the price movement of common stocks apart from constituents in the SET50 Index and SET100 Index, that have constant liquidity and comply with requirements regarding the distribution of shares to minor shareholders. SET CLMV Index is used for indicating the price of Thai-stocks that generate remarkable revenue from Cambodia, Laos, Myanmar, and Vietnam or CLMV countries. Please refer to the following website for details of selection and each index.

GL is operating the digital finance business, which is one of the major businesses of our group. The company believes that GL's shares will be more highlighted to the investor by this selection, we will continue our efforts to maximize our corporate value.
