“Group Lease looks to high margins in CLMV after sales rebound inQ4”
~From the Press Release of THE NATION of 13 February 2015~

Group Lease PCL (GL), our consolidated subsidiary operating the finance business in Southeast Asia, has released Financial Statement Yearly 2014 on 13th February. In explanation to an aggressive expansion to whole area of ASEAN as well as an impressive turnaround in the last quarter of 2014, GL stock price rose from 6.1THB to 7.75THB as of 19 February 2015.

It was published in THE NATION, which is one of two major English daily newspapers in Thailand since 1971, on 13 February 2015.
